

Products for Blind Downpipe Lining

How to shoot a Downspout Liner uphill without access to the Roof.

- System utilizes a liner bladder combo designed to invert at ultralow pressures even round 90 degree bends
- No need to gain access to either the upstream end of the shot when shooting uphill or the downstream end of the shot when shooting downhill
- Cal tube is translucent in colour to allow for vision during impregnation

COMPONENTS SELECTION

Bendiliner

An Elastic 2mm thick Inversion Liner for Multiple Bends and Transitions.

A Super Elastic- 2mm thick- non structural Liner - manufactured with the right combination of properties to allow easy inversion round multiple 90 degree bends.

Product Name	Unit rate	Qty	Price	Subtotal
Bendiliner 3" (75mm)	4.79	164.00	4.79	785.07
Bendiliner 4" (100mm)	5.41	164.00	5.41	888.03

Visutube

A Translucent bladder with a unique blend of high burst strength yet easy to Invert.

A Translucent bladder with a unique blend of high burst strength yet easy to Invert. May be used for double inversion (inverting Liner and Cal tube together) as it allows vision of the wet out progress. The translucency also enables CCTV vision on single enders

Product Name	Unit rate	Qty	Price	Subtotal
Visutube 2.5" (63mm)	2.74	328.00	2.74	899.61
Visutube 3" (75mm)	2.61	328.00	2.61	854.67
Visutube 4" (100mm)	2.69	328.00	2.69	882.16
Visutube 6" (150mm)	3.29	328.00	3.29	1077.75

[Magicpoxie](#)

Magical Epoxy that dries as fast as a Polyester

100% solids, solvent free, voc smell free, epoxy resin that will cure at -5 deg C !. The resin was designed for use in cold rooms and freezer room and has now been uniquely adapted for pipelining application. It gives a similar working time to most epoxies but dries in half the time. This is because the material has an inbuilt chemical heater that self activates after the working time. The heater generates enough heat to double the speed of the drying reaction. If you are frustrated with the idle time spent waiting for a liner to cure, this product is for you.

Product Name	Unit rate	Qty	Price	Subtotal
Magicpoxie 1 gallon (9 lbs)	5.18	1.00	43.91	43.91
